“A successful blend of Thai Hospitality with International flavour.”

“Thailand is a very popular and unique country for hospitality. During my internship, I have gained invaluable knowledge and discovered not only a very exciting culture but also myself. After the internship, Rayavadee Resort offered me a full time position, and I love my first job in hospitality in Thailand.”

Julian Bruno,
Communications & Activity Advisor
Rayavadee Resort, Krabi

Angsana Laguna Phuket has been receiving interns since December 2011 and they have been of the highest quality. They play an integral role in their various departments. We have also hired one of our interns, and he is now working as Beach Club Manager in Xana Beach Club with Attica, under Angsana Laguna Phuket.

“International interns continue to remain an essential component of our resort team, as they help us cater to the very diverse clientele, that continues to make Phuket a destination of choice, allowing us to successfully blend Thai hospitality with an international flavor.”
